

Driving Angels

**Earn Your Wings...
be a Driving Angel and
help someone in need!**

What is a "Driving Angel"?

A Driving Angel is someone who provides transportation to a senior.

Why do seniors need transportation?

When circumstances are such that you are not able to drive, take public transit, or hire a taxi, you have to rely on others. Many seniors may require extra assistance due to a frailty or disability.

Who can become a Driving Angel?

You can be a Driving Angel by providing transportation to a senior you know or through volunteering with an organization such as the one(s) listed in this brochure.
