

## CALL FOR PRESENTERS - 2012 Seniors Services Conference

**Date:** September 13 and 14, 2012

**Location:** Fantasyland Hotel  
17700 87 Ave NW  
Edmonton

The Seniors Services Conference is a two-day conference that offers seniors' service providers opportunities to network, gain knowledge and increase awareness of issues, supports and services for seniors. In 2011, approximately 250 delegates attended from across Alberta.

The Conference planning committee invites those interested in presenting at the 2012 Grey Matters Seniors Services Conference to submit proposals for presentations that answer the question:

### **What is being done to help people age in place?**

Consideration will be given to proposals that highlight:

- Programs that support the development of age-friendly communities.
- New research and findings related to aging in place.
- Activities and innovations that make it easier for seniors to age in their community.
- Success stories from your community/agency/organization.

Proposals will also be considered if they provide individuals who work within the seniors sector in Alberta the opportunity to enhance their capacity to support and serve seniors.

#### **Details and Policy**

**Length of Presentation:** Each conference session will last for a maximum of 60 minutes, excluding time for questions.

**Please complete the Speaker Information Form and attach the following:**

- **Presentation Description:** a description of your presentation in sufficient detail to allow for evaluation of the content. Maximum 150 words.
- **References:** Provide a list of recent speaking presentations and a minimum of 2 references.
- **Speaker Bio:** a maximum 150-word summary biography for each speaker.
