

# WINTER IS HERE!

While winter is a beautiful and fun time of year, shovelling snow and ice can be difficult and even dangerous for Edmonton seniors.

## ARE YOU A SENIOR IN NEED OF SNOW REMOVAL?

If you are an Edmonton senior living independently, there are snow removal options available to you:

- Look within your community to find someone who wants to earn a little extra money - for example a youth down the block.
- Connect with one of Edmonton's senior service agencies that can match you to an affordable snow removal worker.

**West end** 780-483-1209, **South side** 780-465-0311 or **city wide** call 780-701-9011 to find out more.

Has an angel volunteered to help shovel your driveway or walk? Say thanks by nominating them as a City of Edmonton Snow Angel!

To nominate your volunteer or for more information visit [Edmonton.ca/snowangels](http://Edmonton.ca/snowangels) or call 311
