

Recreation and Wellness Directory for Older Adults

Overview of the Directory

The Recreation and Wellness Directory for Older Adults outlines arts, fitness, technology, health and recreational activities for adults 55+ in the Edmonton area.

With more than 1400 group programs, clubs, courses, and events listed, the directory is a valuable resource for older adults and those who support older adults.

The directory is produced by the Edmonton Seniors Coordinating Council (ESCC) with contributions this year from 53 organizations.

At the time of printing, the activities included in the directory were scheduled, but they may change throughout the year and new activities may be added. We encourage you to contact the organizations for details and availability of the activities.

Edmonton Seniors Coordinating Council

The Edmonton Seniors Coordinating Council works with senior service agencies and other stakeholders in the seniors sector to enhance the lives of Edmonton seniors.

We help organizations collaborate to improve coordination of services for seniors by facilitating sector meetings, planning for service improvements, coordinating projects and producing resources.

We also facilitate resource-sharing and communication in the sector which enhances the capacity of organizations to provide effective, accessible services to meet the diverse needs of seniors.

Provide feedback on the directory

We'd like to hear what you think about the Recreation and Wellness Directory for Older Adults.

Is it helpful for you? What changes would improve the directory? We're open to suggestions on how to make the directory more useful.

You can provide your feedback through an online survey at www.surveymonkey.com/r/RecDirectory

We may also organize an in-person focus group. If you're interested in participating in a focus group, contact the Edmonton Seniors Coordinating Council at 780-423-5635 ext. 1 or info@seniorscouncil.net.

Seniors' Centre Without Walls

Free telephone program for seniors

Are you someone who...

- Finds it hard to leave home for extended periods of time?
- Likes to stay socially connected and enjoys talking to people?

Now you can do this from the comfort of your own home! Join us for recreational activities, health and well-being topics as well as friendly conversation for older adults. Open to all Edmonton seniors age 55+.

Am I at risk of social isolation?

CONNECTING EDMONTON SENIORS

- I am content with my friendships and relationships
- I have enough people I feel comfortable asking for help at any time
- I am as socially and physically active as I want to be
- I have the resources I need to do the things I want to do

If you answered "No" to any of these questions, you may be at risk of social isolation.

Reciprocal Program Registration

More course choice and flexibility with Reciprocal Program Registration

Twelve Edmonton seniors centres allow reciprocal program registration. This means that members of a participating centre can register for instructional courses at another participating centre for the member rate, instead of paying a non-member rate.

What you need to know about reciprocal program registration:

- Reciprocal registration applies to instructional courses only. However, some centres will accept reciprocal registration for social events, non-instructional programming and clubs. Check with the centre you want to register with.
- You must show a valid membership card from one of the participating centres in order to register.
- Participating centres have different registration procedures, so contact the centre to find out what you need to know to register.
